

PRICE GUIDE FOR GARDEN BUILDINGS AS SET OUT BELOW

FOR ASSEMBLY, WE REQUIRE A FLAT AND LEVEL BASE PRIOR TO US DELIVERING. WE ALSO RECOMMEND THAT YOU LEAVE 12-18 INCHES FROM BOUNDARY FENCES WHERE POSSIBLE TO ALLOW FOR ROOF OVERHANGS AND FUTURE MAINTENANCE.

All prices include VAT, delivery, treatment & **FREE** installation on sheds

Hasp + staple lock heavy duty	£ 40.00
Combination lock	£ 20.00
Wooden shelving	£ 20 per ft (300mm)

ALL GARDEN BUILDINGS CAN BE MADE INTO SMALLER SECTIONS PRICES ON APPLICATION.

PLEASE NOTE:

It is the customer's responsibility to make sure there is adequate access to the garden and shed base without any height or width restrictions. As some sections may come in sizes over 8'6" in height and width, please inform us upon ordering if there are any permanent archways or other fixtures which may restrict access.

N.B. If delivered only, we have one person delivering to your nearest access. As most panels are large and heavy, it is the customer's responsibility to notify us of any delivery problems.

Most of our buildings do not require planning permission. If planning permission is required, it is the customer's responsibility. You can find this out from your Local Authority.

The contents of an existing shed must be removed and replaced by the customer.

All prices are correct at time of going to press - but are subject to change without prior notice. Manufacturers reserve the right to change specification without notice.

Optional Extras:

- Double glazed sealed units
- Toughened glass
- Additional windows
- Extra height
- Black onduline roof covering (15-year guarantee)

Specification

- 3 x 2in CLS framework throughout the building.
- Full tongue and groove tanalised loglap cladding (22mm).
- Full tongue and groove floor and roof (12mm).
- One way vapour barrier on the inside of the cladding, to prevent moisture coming through, therefore making it easier to insulate.
- 48kg polyester green mineral felt covering.
- 4mm Pilkington clear float glazing as standard.

THE CORNER SHED NEVIS

Where space is at a premium and you're looking for a building to fit into a corner then this is the shed for you.

- Available in Shiplap (22mm) or Tongue & Groove (12mm)
- Framed on 2 x 2in planned framing throughout.
- Full tongue & groove floor and roof.
- 40kg green roofing felt

7x7	£ 1505.00	£ 1950.00
8x8	£ 1810.00	£ 2180.00

PLEASE READ THE INFORMATION BELOW

Before you order your shed

- You must ensure a level base is in place for the building. Otherwise, the building will not be erected, and guarantee will be lost. We recommend a concrete base.
- We need to know if the access to the property or garden will be an issue. Long walks (over 40mtrs), height restrictions, doorways, for example if the building will need to go through your house to allow for access to the garden, we will need to make the building to size to allow for this. Size of doorways will be required.
- If you are planning for a building to be erected between walls or between fences, please mention when ordering and allow for the roof overhang when measuring.
- During the summer months there might be a longer lead time than usual.
- The roofing felt has a 1-year guarantee.

Planning Information

- To erect a garden shed or summerhouse in your garden, building regulations will not normally apply.
- The garden building must not cover more than 50% of your total garden.
- The building must not be situated further than the front of your house.
- The overall height of the building must not exceed more than 2.5mtr from ground level, within a 2mtr range of any boundary.
- No verandas higher than 3mtr from ground level.
- Buildings within the grounds of a listed property will require planning permission.
- For full details about planning please contact your local planning department.

A VARIETY OF TREATMENT COLOURS ARE AVAILABLE

When you have purchased any of our buildings, we recommend you apply a coat of oil based treated straight away and every year after.
